§ 77.7 Withdrawal of grant application.

An applicant may withdraw its application by submitting to VA a written document that withdraws the application.

§ 77.8 Additional requirements and procedures for applications.

(a) *Application for grants.* An applicant may submit, on or before the submission deadline date established in a NOFA, an application in accordance with the instructions in the NOFA and including the forms specified in the NOFA. Such application must be signed by the applicant or an official or representative of the applicant duly authorized to make such application and to assume on behalf of the applicant the obligations imposed by law, applicable regulations, and any additional terms and conditions of the grant. VA may require in the NOFA for applicants to submit a pre-application for review and approval prior to the submission of an application.

(b) *Partnerships.* (1) Eligible entities may enter into partnerships with other eligible entities, including those in other States, and submit joint applications for adaptive sports grants.

(2) A joint application made by two or more applicants may have separate budgets corresponding to the programs, services and activities performed by each of the joint applicants or may have a combined budget. If a joint application presents separate budgets, VA may make separate awards, or may award a single award authorizing separate amounts for each joint applicant.

(c) *Evaluation of applications submitted.* All applications submitted shall be evaluated. After the initial internal or peer review, additional internal

evaluations and/or peer reviews may be used.

(d) *Applicant's performance on prior award.* When the applicant has previously received an award from VA or another Federal agency, the applicant's noncompliance with requirements applicable to such prior award as reflected in past written evaluation reports and memoranda on performance, and the completeness of required prior submissions, may be considered by VA. In any case where VA proposes to deny a grant based upon the applicant's noncompliance with requirements applicable to the prior award, VA shall do so only after affording the applicant notice and a reasonable opportunity to rebut the proposed basis for denial of a grant.

(e) *Applicant's fiscal integrity.* Applicants must meet and maintain standards of fiscal integrity for participation in Federal grant programs as reflected in 2 CFR part 200.

(f) *Disposition of applications.* Upon review of an application and dependent on availability of funds, VA will:

(1) Approve the application for funding, in whole or in part, for such amount of funds, and subject to such conditions that VA deems necessary or desirable;

(2) Determine that the application is of acceptable quality for funding, in that it meets minimum criteria, but disapprove the application for funding because it did not rank sufficiently high in relation to other applications to qualify for an award based on the level of funding available;

(3) Disapprove the application for failure to meet the applicable selection criteria at a sufficiently high level in comparison to other applications to justify an award of funds, or for another reason as provided in the documentation of the decision; or

(4) Defer action on the application for such reasons as lack of funds or a need for further review.

(g) *Notification of disposition.* VA will notify the applicant in writing of the disposition of the application. A signed grant agreement form will be issued to the applicant of an approved application.

§ 77.12

(h) *Availability of grant funds.* Federal financial assistance is normally available only with respect to obligations incurred subsequent to the effective date of the grant. The effective date of grant will be set forth in the grant agreement. Recipients may be reimbursed for costs resulting from obligations incurred before the effective date of the grant, if such costs are authorized by VA in the NOFA, the grant agreement or subsequently by VA in writing, and otherwise would be allowable as costs of the grant under applicable guidelines, regulations, and terms and conditions of the grant agreement.

§ 77.9 Use of pre-applications.

VA may request pre-applications for competitive and noncompetitive grant applications. Such request would be made in a NOFA.

§ 77.10 Peer review methods.

(a) VA may subject both pre-applications and formal applications to a peer review process. For both competitive and noncompetitive applications, peer review will normally consist of written comments based on the selection criteria established in § 77.5 and any weighting factors identified in the NOFA or conveyed in writing to the noncompetitive applicant, together with the assignment of numerical values. Peer review may occur at meetings of peer reviewers that are held under VA oversight, through mail reviews, or a combination of both. When advisable, site visits may also be employed. The method of peer review anticipated for each announced competitive program, including the weighting factors to be used by peer reviewers, will be specified in each NOFA.

(b) When formal applications are required in response to a NOFA, an initial review will be conducted by qualified VA staff, in order to eliminate from peer review consideration applications which do not meet minimum program requirements. Such requirements as listed in § 77.5 and weighting factors will be specified in the NOFA. Applications determined to be qualified and eligible for further consideration may then be considered under the peer review process.

§ 77.11 Outreach required.

(a) As a condition of receiving a grant under this part, an eligible entity must agree to conduct a joint outreach campaign with VA to inform all eligible veterans and separating members of the Armed Forces with physical disabilities about the existence of the adaptive sports activities funded by the grant, as appropriate, and shall provide for, facilitate, and encourage participation of such veterans and separating members of the Armed Forces in programs under this part to the extent possible.

(b) For grantees conducting adaptive sports activities at the community level, outreach must include active liaison with local VA and DoD facilities; State, local, and tribal governments; and VSOs, private agencies, and organizations providing adaptive sport activities to disabled veterans and disabled members of the Armed Forces to be served by the grantee.

(c) For grantees conducting adaptive sports activities occurring at the national and regional levels, outreach must include active liaison with VA and DoD, State governments, VSOs, and private agencies and organizations providing adaptive sport services to disabled veterans and disabled members of the Armed Forces to be served by the grantee and tailored as appropriate to the deliverables of the grant.
